

**Coherus
COMPLETE™**

**A Guide to Patient
Support and Financial
Assistance
Programs**

Introduction

This guide will help you get started with Coherus BioSciences™ medications. It will provide you information on:

- How your insurance company will cover these medications
- How you will obtain these medications for your treatment
- How Coherus COMPLETE™ can help you with financial assistance

About Coherus COMPLETE™

Coherus COMPLETE™ provides patient support services and programs designed to remove access hurdles for Coherus BioSciences™ medications.

Getting started with Coherus COMPLETE™

- 1 Your doctor prescribes a Coherus BioSciences™ medication
- 2 You can enroll in Coherus COMPLETE™ programs on your own or with your healthcare provider
- 3 Go to www.CoherusCOMPLETE.com or call Coherus COMPLETE™ 1-844-483-3692

How to get Coherus BioSciences™ medications

1 Through your doctor's office

Your doctor's office will obtain the medication, administer it and bill your insurance company for the cost of the drug, administration, and office visit.

Based on your health insurance plan you may be required to pay a co-pay, coinsurance or deductible toward your treatment.

If you have commercial insurance and need to pay fees for these medications please review the co-pay assistance program enrollment instructions on CoherusCOMPLETE.com.

2 Through a Specialty Pharmacy

What you need to know when a Specialty Pharmacy is involved:

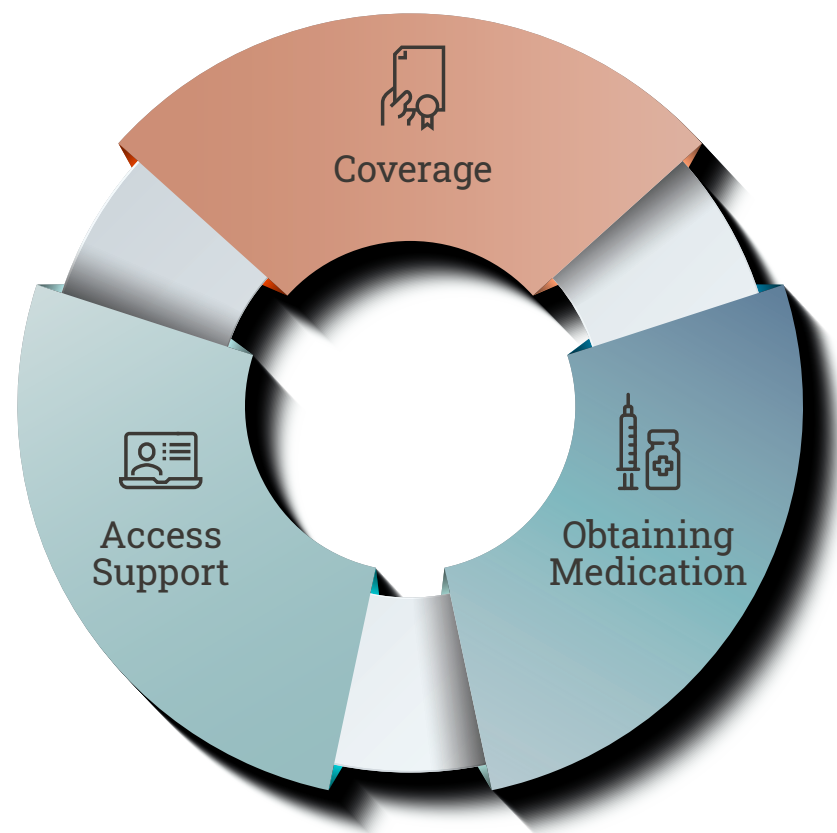

The Specialty Pharmacy will contact you to:

- Confirm your medication order
- Verify your insurance information
- Collect your co-payment (may require credit card information)
- Schedule a date for your medication to be shipped directly to your provider's office

Introduction

This guide will help you get started with Coherus BioSciences™ medications. It will provide you information on:

- How your insurance company will cover these medications
- How you will obtain these medications for your treatment
- How Coherus COMPLETE™ can help you with financial assistance

About Coherus COMPLETE™

Coherus COMPLETE™ provides patient support services and programs designed to remove access hurdles for Coherus BioSciences™ medications.

How can Coherus help?

Coherus COMPLETE™ offers various programs to help eligible patients access Coherus BioSciences™ medications.

Your eligibility for programs depends on your health insurance.

Co-Pay Assistance Program*

If you have commercial insurance, this program may cover costs associated with medications, including:

- Co-pays
- Coinsurance
- Deductibles

Patient Assistance Program

If you have no health insurance or are underinsured, you may be eligible for this program.

“Underinsured” means that your health insurance plan does not cover your medication or any other product in this drug class.**

Alternative Funding Sources

There are independent foundations that may be able to provide you with financial assistance.

How the Programs Work

Co-Pay Assistance Program

- **\$0 out-of-pocket patient costs** for each medication dose
- Maximum annual benefit varies based on medication. **Please visit [CoherusCOMPLETE.com](https://www.CoherusCOMPLETE.com) for product specific details.**

Patient Assistance Program

- Coherus BioSciences™ medication will be provided at no cost if you have no insurance or your insurance does not cover the medication or any other product in this drug class
- If you are facing a financial hardship, this program may be able to help

Alternative Funding Research Support

- Our patient access specialists will help determine if you are eligible for other sources of financial assistance
 - Helps you with the application and enrollment process

To get started with these services, please call 1-844-483-3692 or go to [CoherusCOMPLETE.com](https://www.CoherusCOMPLETE.com)

*Coherus COMPLETE™ Co-Pay Assistance Program covers ONLY the cost of medication and does not cover any administration or office visit costs.

**To be considered underinsured, the patient must not have coverage for any product in the respective drug class.

Coherus BioSciences™ reserves the right, at its sole discretion, to revise, change or discontinue the Co-Pay Assistance Program and the Patient Assistance Program at any time.
